THE EUDI Wallets is happening NOW

December 2026

Member must provide at least one EUDI wallet

December 2027

Mandatory to accept EUDI wallets for the EU (one extra year for EEA)

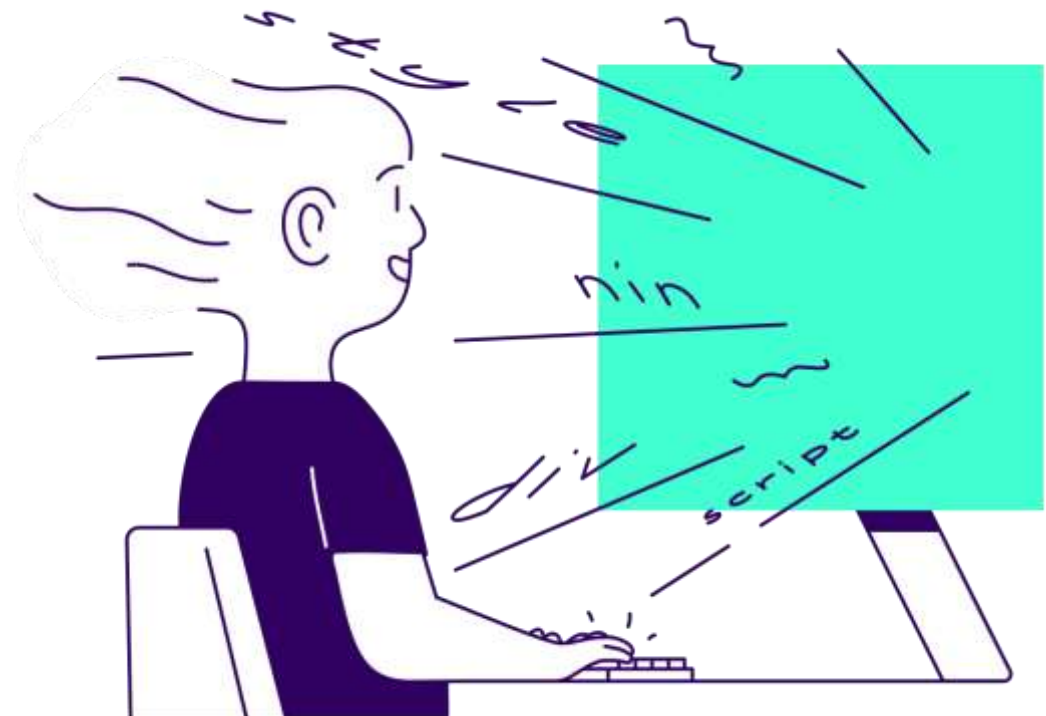

Regulated industry **MUST** accept the EUDI Wallets

EU has a hunger for a successful digital identity

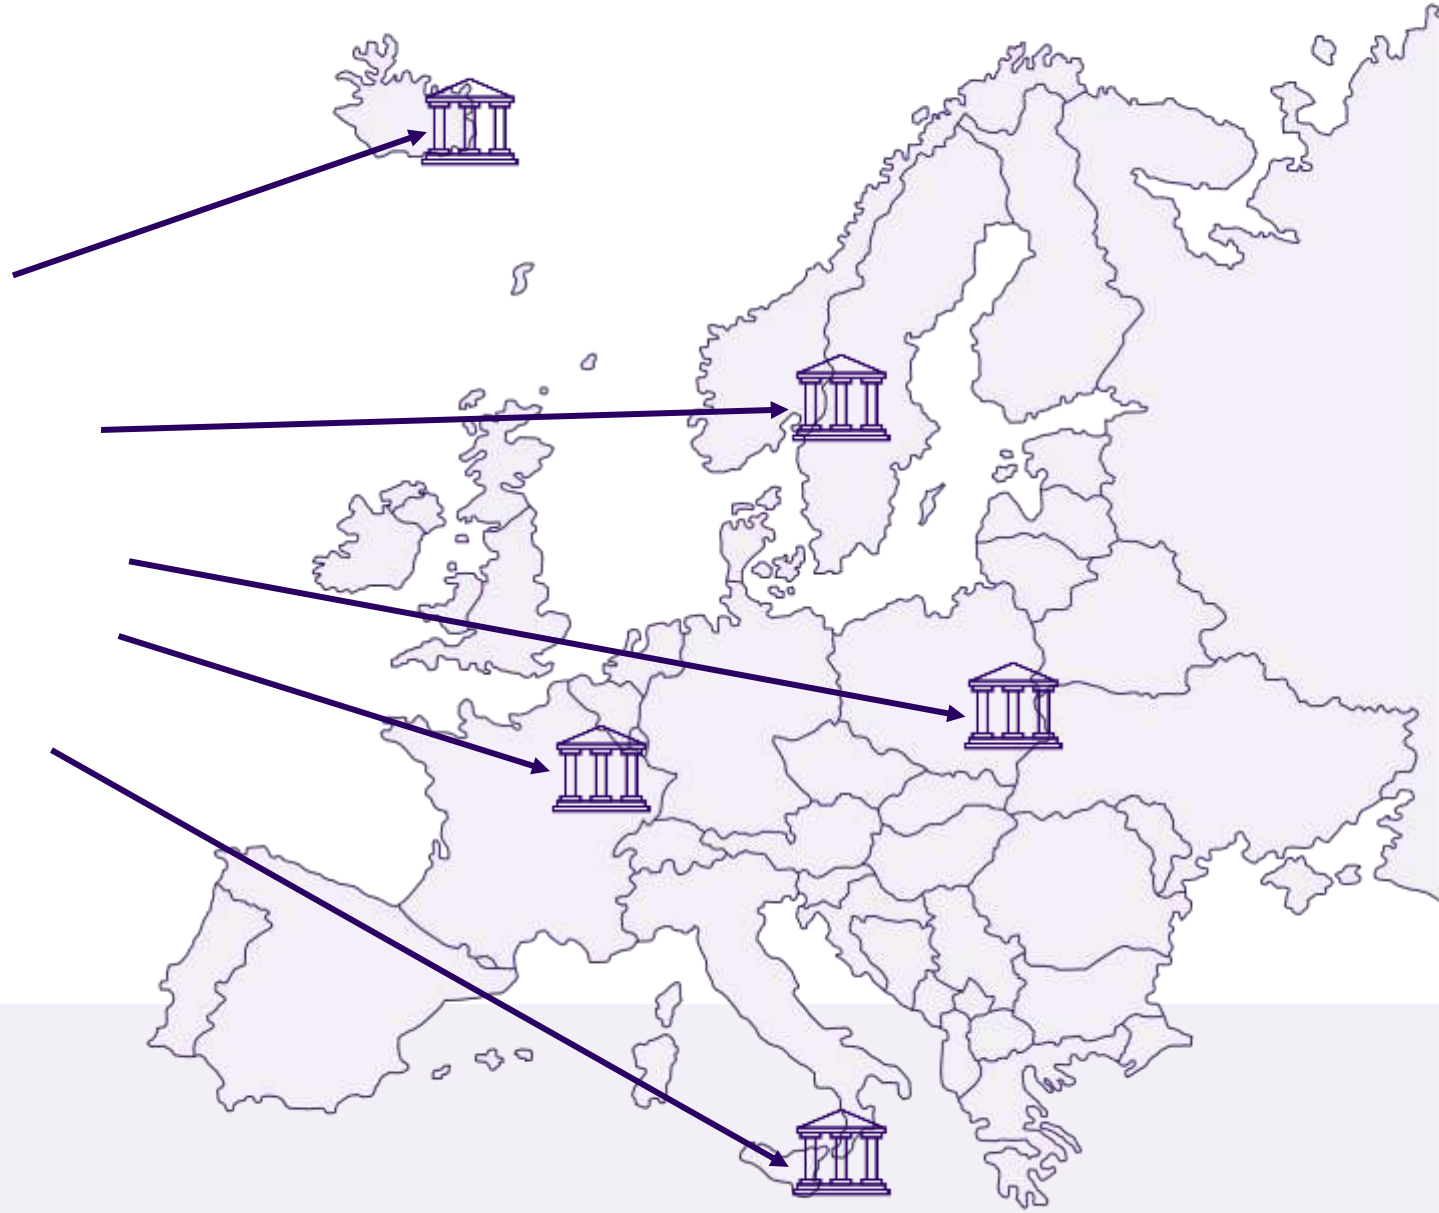

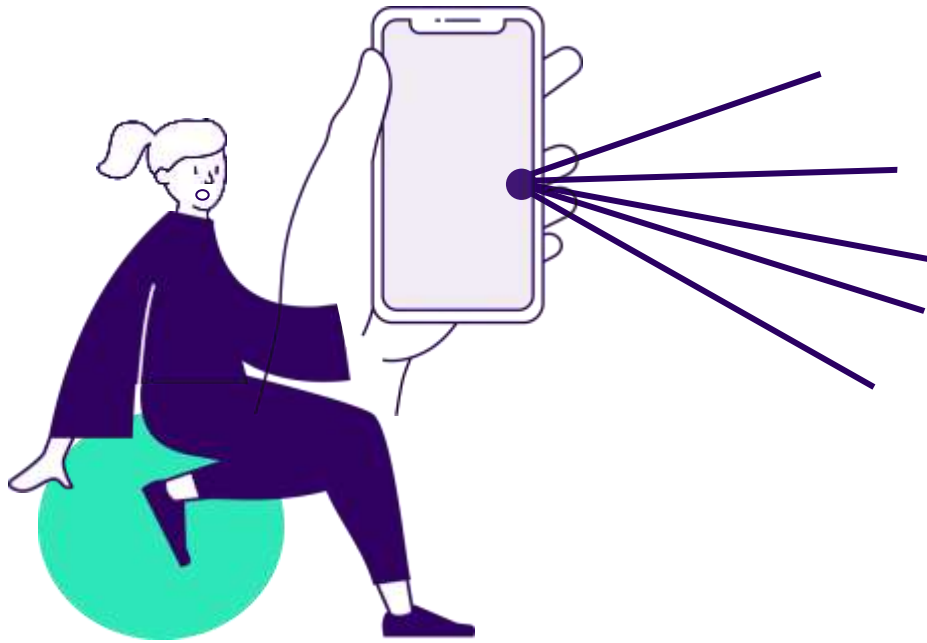

German **SPRIND** mentioned at Digdir's eIDAS conference in Sogndal:

We are desperate, we have 3-4 failed eID attempts and need this to be successful...

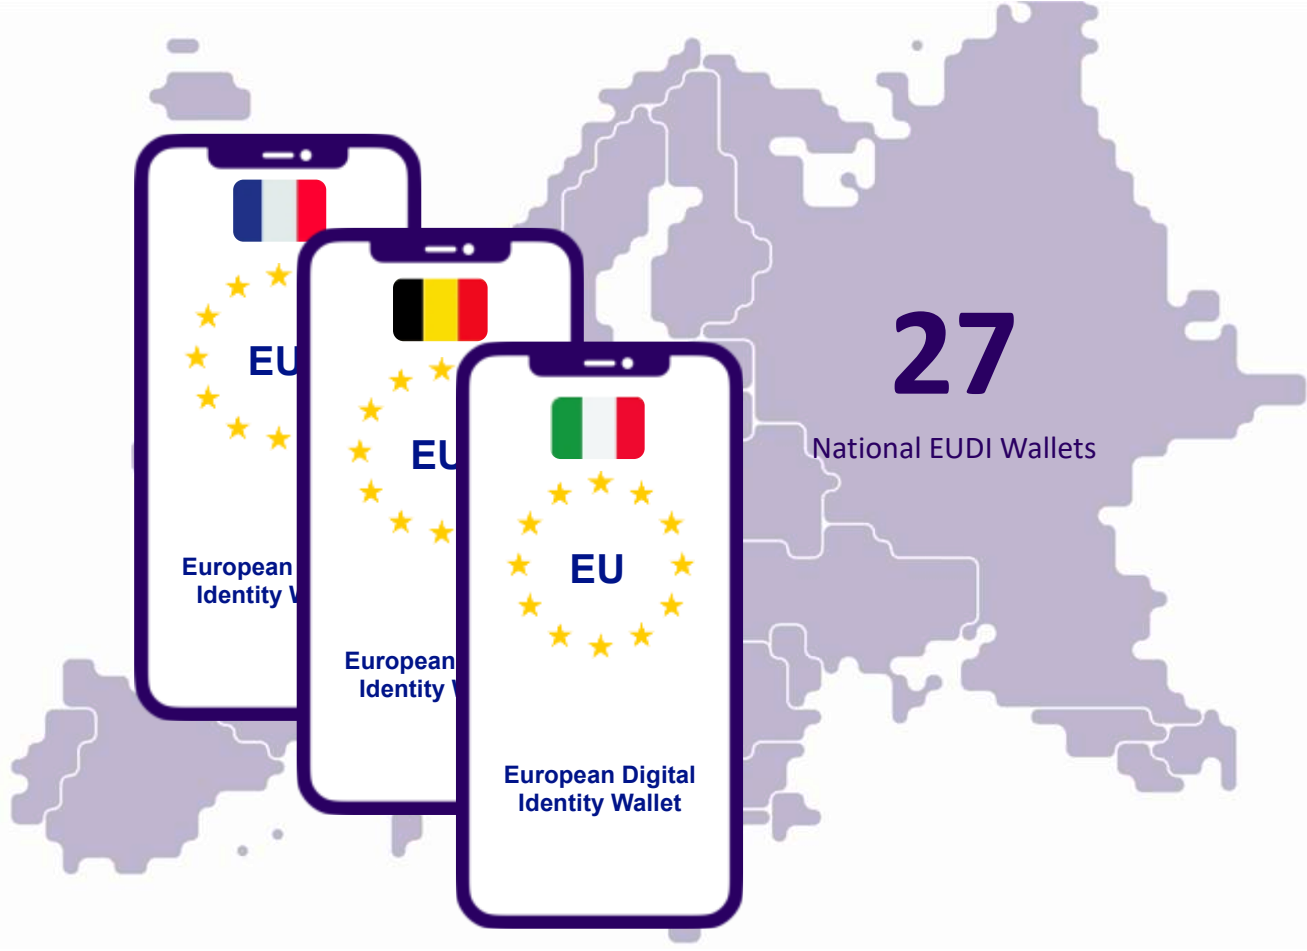

Some member states will work harder for a success

Nothing is that simple
